IF U S WEST COMMUNICATIONS IS YOUR LOCAL PHONE COMPANY

We can provide you with local telephone service, long distance service within your calling area, and other telephone services. You'll find more information about the kinds of services available to you in this Customer Guide. You may find it helpful to read this information before placing your order for new phone service.

WHEN YOU'RE READY TO START YOUR PHONE SERVICE

Call the U S WEST Communications service number at the top of this page. A service representative will describe the services available to you, explain what each costs, and take your order. We need to know:

- How you want to be listed in the White Pages directory (see page A15).
- Your complete street address (including apartment or suite number).
- The types of services you want.
- Information about your previous telephone service, including phone number, city and state.
- Employment and credit information (for home telephone service).
- Business ownership information (for business service).

You Need To Provide Your Own Telephone Set

If you don't have a telephone set, you can buy or rent one from a store or company that carries them. Party line customers may need specially modified telephones for their service to work properly. You are not required to obtain your telephone or other terminal equipment from the telephone company in order to receive service. Rates and services are provided on an equal basis no matter where you obtained your equipment. Call the number at the top of this page for more information.

You Need To Select A Long Distance Company

U S WEST Communications provides long distance service within your calling area. You must select a long distance company to make long distance calls to other calling areas.

If You Have Phone Service And Need To Make A Change:

Call the number at the top of this page. A U S WEST Communications service representative will handle your request and explain what each change will cost.

What It Costs To Begin Or Change Service

The one-time charge to install or change your telephone service depends on the amount of work required. Generally, you're charged for the work we do to process your order and to connect or make changes in your service.

Service order charges: Home – new service $19; service charges $13; central office connection charges $16. Business - new service $25; service charges $22; central office connection charges $25.

If you have our technicians install jacks or wiring inside your home or business you'll be charged for the time the technician is there and for the materials used.

We require advance notice to install new service. In many areas Express Service is available for an additional charge to customers who need same-day or next-day installation. For more information, call the number at the top of this page. (Residential customers only.)

Continued on next page

HOW TO ORDER Phone Service

Continued from previous page

There Is No Charge To Disconnect Your Phone Service

Call the number at the top of the previous page to stop your service. You pay only for the time your phone is connected.

DEPOSITS

Advance Payments And Deposits

If you are a new customer with U S WEST Communications or have recently moved and need to re-establish service, we may ask for an advance payment or deposit.

Deposits are based on local service and long distance charges. Business customers should call the service number at the top of the previous page for information on deposit requirements.

We may require a new or additional deposit if we stop your service because your payment is late. There's also a charge to begin service again.

We Will Refund Your Deposit:

With interest after 12 months if your phone bills are paid on time. If you discontinue service during this time, the deposit and interest will be applied to your final bill.

Deposits For Other Companies

U S WEST Communications handles billing and collections for some long distance companies. We may require a deposit for these companies. The amount will be based on your estimated long distance charges for two months.

IF YOU NEED NEW TELEPHONE WIRING OR JACKS

You have three options:

1. You can have U S WEST Communications do the work. You will be charged for time and materials. Call the service number at the top of the previous page for information.
2. You can have an independent contractor do the work.
3. You can do the work yourself.

All inside wiring must meet certain technical standards.

WHY WON'T MY PHONE WORK?

That depends on whether the problem is in your telephone set, in the wiring inside your home or office, or in the outside lines and switching equipment that U S WEST Communications uses to provide you with service. Simple tests can help you determine whether to call U S WEST Communications or another company for assistance. These tests may save you time and money. If you have a party line, call the repair service number at the top of this page for further instructions.

HOW TO TROUBLESHOOT

These tests can help you determine why your phone isn't working:

1. Check to see if all of your telephones are hung up.
2. If you have only one phone and it unplugs, take it to a friend's home or office and plug it in. If it doesn't work there, you probably have a phone equipment problem.
3. If you have two or more phones that unplug, unplug all of them. Then try each one – one at a time – in each jack or outlet. If one phone doesn't work anywhere, you probably have a phone equipment problem. If none of the phones work in a particular jack, you may have a jack problem.
4. Borrow a friend's phone and try it in each of your jacks. If it doesn't work in a particular jack, you probably have a jack problem. If it doesn't work in any jack, you may have a U S WEST Communications line problem.
5. If your phone doesn't unplug, contact the company that sold or leased it to you for directions on how to remove it.
6. If you have phone accessories – such as answering machines, speaker phones, cordless phones, a security system, or night bells – make sure that equipment is working. If your telephone service works without the added equipment, the problem may be with the accessories.

If You Hear Noise On Your Line:

It may be caused by the weather, aerial satellites, poor grounding or other conditions that are only temporary. If the noise persists, the troubleshooting tips listed above may help isolate the problem.

The interference may also be caused by radio frequency signals from amateur, citizens band (CB) and AM/FM broadcast stations. The installation of a modular filter, obtainable from most stores selling telephone equipment, may help.

Because cordless telephones operate on radio frequencies, they can also receive interference from nearby radio transmitters. Contact your cordless telephone equipment supplier or manufacturer for assistance with these problems.

If You Hear A Rapid Busy Signal:

While making a local or long distance call, it means that all telephone circuits are busy. Wait a few minutes, then try your call again.

Repair Service

Continued from previous page

OUR REPAIR SERVICE CENTER CAN HELP ISOLATE THE PROBLEM

We can test your line. But in some cases, we won't know what's wrong without sending a repair technician to your home or office. There may be a charge for this repair visit. Troubleshooting – described on the previous page – may help you isolate the problem yourself and save you time and money.

If The Problem Is In Your Telephone Set:

Follow the instructions on your warranty or contact your equipment retailer. U S WEST Communications cannot repair your telephone equipment.

If The Problem Is In Your Jack Or The Wire That Runs Through Your Home Or Office:

You have three options:

1. You can call U S WEST Communications. If you subscribe to one of our optional wire maintenance plans, we will repair your jack or inside wiring at no charge. If you don't subscribe, we will still be happy to repair the problem. But we will have to charge you for labor and materials.
2. You are welcome to hire any independent contractor or home repair expert to repair your jack or inside wiring.
3. You can repair the problem yourself.

If The Problem Is In U S WEST Communications' Outside Lines Or Switching Equipment:

Call the repair service number at the top of the previous page.

U S WEST Communications Can Repair:

The outside lines and switching equipment we use to provide you with service, at no charge to you (unless damage is due to negligence on your part).

We can also repair the wiring that runs inside your home or office. There is a charge for this service, unless you subscribe to one of our wire maintenance plans.

U S WEST Communications Cannot Repair:

Telephone equipment, other than our public (pay) phones.

YOUR OPTIONS Types of Service

For your home **1 800 244-1111**
For your business **1 800 603-6000**

YOU HAVE A CHOICE

You can choose the type of basic telephone service that will best meet your needs. The following plans are available in most areas.

For information on rates and availability, call the service number at the top of this page. Local calling information can be found on page A12.

TELEPHONE SERVICE

We offer various types of basic telephone service. Unlimited service allows you to make as many local calls as you want for a flat monthly charge.

Ames: Home – $12.05; Business – $30.15.

Customer line charge

Business $4.75
Home and single line business $3.50

As required by the Federal Communications Commission (FCC), a monthly charge applies per line.

Local Measured Service

This option can reduce your cost for telephone service, because you pay only for what you use. Measured service plans include:

One-Party Measured Service

You have your own private line and pay a fixed monthly charge. You then pay for each local call you make. Charges are based on how long you talk, where you call, and the time of day and day of the week your call is made. Night, evening and weekend calls are discounted. You are not charged for calls you receive.

Home

Basic $7.50 (no call allowance)
Budget Pac $9.25 (3 hour call allowance)
Value Pac $11.40 (6 hour call allowance)
Usage = $.02 cents per minute

Business

Option 1 $24.00 (no call allowance)
Usage = $.03 cents per minute

Rates for customers outside of the base rate areas listed above may vary. Check with your telephone company for rates.

You may be in an area in which your name and number will be displayed on every call to those who subscribe to Caller ID. If you wish to block the information displayed you must dial *67 before dialing the number on each call. Call the number at the top of this page to discuss these and other options for local service.

DIRECTORY LISTINGS

You may choose how you want to be listed. A listing in your local U S WEST Direct telephone directory is free. Call the number at the top of the previous page for options available to you.

Privacy Listings

If you don't want your name in this book, you have two choices. Your name and number can be left out of the directory, but still be available from directory assistance (non-listed). Or your name and number can be left out of the directory and not be available from directory assistance (non-published). There's an additional charge for either option. For health and safety purposes, your non-published or non-listed information may be released when you call 911 or other emergency service providers.

Premium Listings

Are available for an additional charge. These include: additional listings; listings for a number outside of the area normally included in a particular directory; cross references to other listings; informational listings that include non-promotional information and alternate call listings that refer to another number. Call the number at the top of the previous page for details.

MORE OPTIONS Custom Calling

FOR INFORMATION ABOUT CUSTOM CALLING SERVICES:

For your home **1 800 244-1111**
For your business **1 800 603-6000**

CALL WAITING – A short tone indicates an incoming call when you are on another call.

To Use – When you hear a brief tone, press and release disconnect button. Answer second call or alternate between calls by pressing and releasing disconnect button.

To Temporarily Turn Off – Lift receiver and press ★70 (rotary dial 1170).
Listen for 3 short tones followed by dial tone. Place call. If you're already on a call and have 3-Way Calling, turn off Call Waiting by pressing and releasing receiver button, followed by ★70 (rotary dial 1170).

CALL FORWARDING – Temporarily forward calls to another number you select. Call Forwarding remains in effect until you deactivate it. Your phone will ring briefly before call is forwarded. If forwarded to a long distance number, you will be billed the long distance charge. If you have measured service, applicable charges will apply.

To Use – Press ★72 (rotary dial 72). After a dial tone, dial the number your calls are to be forwarded to. After answer, wait a few seconds and hang up. If line is busy or no one answers hang up and repeat. Two quick tones means Call Forwarding is activated. Check that your calls will be forwarded by pushing "72" on your touchtone phone (or dial "72" on your rotary phone.) A busy signal tells you Call Forwarding is in effect.

To Deactivate – Press ★73 (rotary dial 73), and listen for two quick tones.

THREE-WAY CALLING – Allows you to talk to two other parties in different locations at the same time, or add a second person to your call, or put one on hold and make a second call.

To Use – Put the first party on hold by pressing and releasing receiver button once. When you hear three short tones and a dial tone, call the second party. When that party answers, depress the receiver button once again to connect all three parties. If the second party is busy or doesn't answer, press the receiver button twice to cancel.

To Temporarily Turn Off Call Waiting While on a Call – See Call Waiting instructions.

SPEED CALLING – This feature allows you to reach a frequently called number by dialing just one or two digits instead of the entire phone number.

To Program Speed 8 – Assign a code from 2 through 9 for each phone number. ★Press 74 (rotary dial 74). Then press in your selected code, followed by the phone number.

To Program Speed 30 – Assign a code from 20 through 49 for each phone number. Press ★75 (rotary dial 75). Then
press in your selected code, followed by the phone number.
In both cases, a tone indicates the number has been stored.

To Use – Dial the selected code, followed by #.

U S WEST COMMUNICATIONS Phone Bill

FOR QUESTIONS ABOUT YOUR BILL:

For home telephone service 1 800 244-1111
For business telephone service 1 800 603-6000

FOR MORE INFORMATION ABOUT YOUR BILL:

Look on the back of the first page. You'll find detailed information about the bill and about our payment policies.

To Pay By Mail

Our address is: **U S WEST Communications**
P.O. Box 737
Des Moines, Iowa 50338-0001

Be sure to include the detachable section at the bottom of page 1. Also remember to write your telephone number on your check or money order.

Questions About Your Bill?

Call the appropriate company. The U S WEST Communications billing numbers are listed at the top of this page. A phone number for each long distance company is printed on their sections of the bill.

You May Prefer Our Automatic Payment Plan

Your financial institution will automatically pay your monthly telephone bill and deduct the amount from your checking account. The amount due is paid through automatic payment approximately 18 days after your bill date. Call the number at the top of this page for more information.

CREDIT AND REFUNDS

If You Are Without Phone Service:

For 24 hours or more because of U S WEST Communications line or equipment problems and have reported the problem to our repair service number, you will receive credit for the outage period. It will be applied to your monthly local service charge.

If You Dial A Wrong Number:

While making a long distance call within your U S WEST Communications calling area, you can get credit by dialing the "0" operator and asking for a refund. If you've used another long distance company for that call, you must call that company.

If You Get A Poor Connection:

While making a long distance call within your U S WEST Communications calling area, you can get credit by dialing the "0" operator and asking for a refund. You'll also be credited for calls that are cut off. If you've used another long distance company for that call, you must call that company.

If You Are Billed For Calls You Didn't Make:

Call the number at the top of this page for long distance calls that appear on the U S WEST Communications portion of your bill. We'll investigate, and if necessary, adjust your account. If you use another long distance company, call that company for questions about their portion of the bill.

It's against the law to use another person's number or telephone credit card to charge calls without permission. Penalties include imprisonment and/or fines.

If You Lose Money In A Public (Pay) Phone:

Owned by U S WEST Communications, call the "0" operator.

WHEN CALLING Long Distance

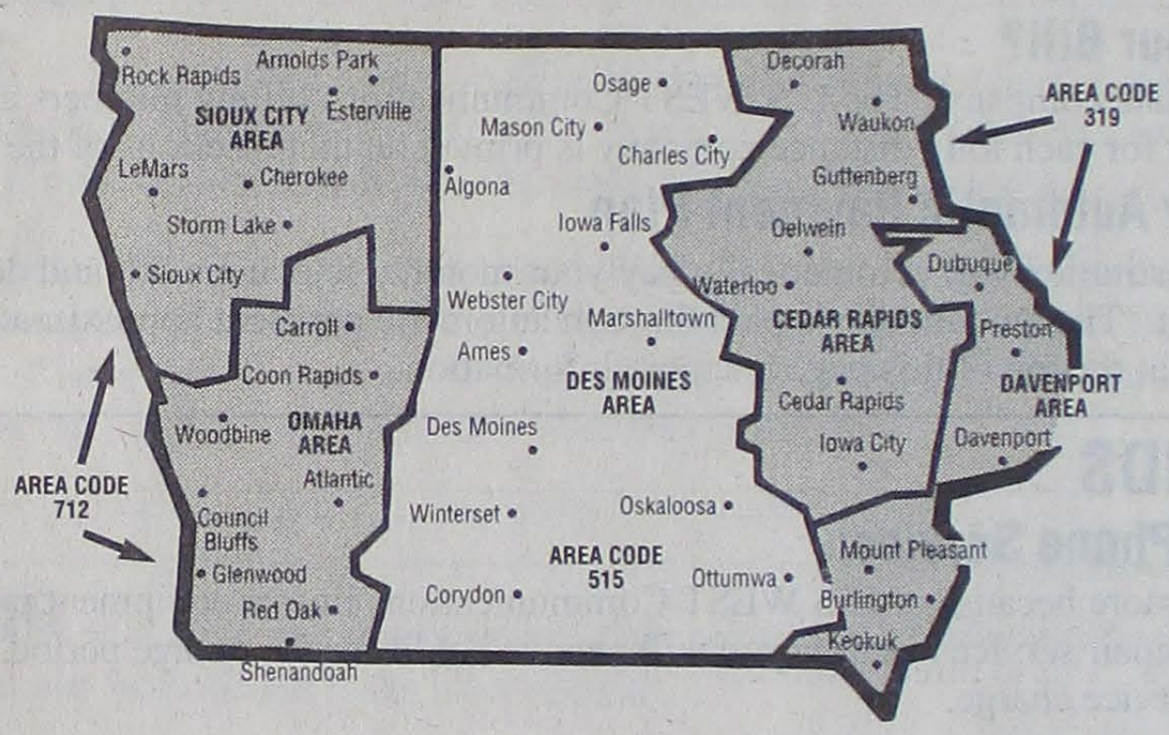

To reach your U S WEST Communications operator, dial "0"

A LIST OF LONG DISTANCE COMPANIES IN YOUR AREA:

Can be found in the Yellow Pages. Each company can provide you with information about its rates, calling areas, and dialing instructions.

CALLING LONG DISTANCE WITHIN IOWA

Iowa is divided into five long distance calling areas (see map on this page). U S WEST Communications provides local and long distance calling service within the boundaries of these areas, but not between them.* Make long distance calls within your calling area by dialing 1 + area code + the telephone number. U S WEST Communications will charge you for the call. Use another long distance company to make calls between these areas. That company will charge you for those calls and can provide you with rate information and dialing instructions.*Local phone service may be provided by other telephone companies in these areas.

Long Distance Calling Area

OTHER TYPES OF LONG DISTANCE CALLS

Calling Long Distance Outside Your Calling Area

In all but a few cases U S WEST Communications does not provide long distance service between states or between sections of the same state that have different calling areas. (See map on this page.) Contact your long distance company for rates and dialing instructions.

International Calls

Contact your long distance company for information on international calling rates and dialing instructions. International calling codes are listed on page A23.

DIALING PLAN FOR IOWA

You now need to include the area code between the 1 and the seven digit telephone number on every long distance call you make. This includes long distance calls made within your own area code. Dialing of local calls is not affected. This change is required to make new area codes available to meet the increasing demand for telephone numbers throughout the U.S. and Canada.

DISCOUNTS WITHIN YOUR CALLING AREA

• Direct Dialing Saves Money

Dial your own long distance calls to pay the lowest rate and only for the minutes you talk. There's a one-minute minimum. Dial "0" for information on U S WEST Communications long distance rates.

• Discount Calling Periods

This chart shows the times you can get a discount on long distance calls within your calling area. Discounts apply to all calls. Those requiring the assistance of an operator will include an additional service charge which does not qualify for a time of day discount. Save money by calling evenings, nights, weekends and selected holidays (New Year's Day, July 4, Labor Day, Thanksgiving and Christmas). If you start your call during one rate period and hang up during another, your call will be prorated between the two.

• Discount Calling Plans

All Time® Volume Discounts may also help you save money. Business and residence customers get volume discounts on calls made within their U S WEST Communications calling area. Call the service number at the top of page A14 for more information.

CALLING CARD CALLS

If you have a U S WEST Communications Calling Card, you can make local and long distance calls and charge them to your regular monthly bill. Next to direct dialing, using your Calling Card is the least expensive way to call compared to other types of operator-assisted calls. Call the U S WEST Communications service number at the top of page A14 for more information.

The U S WEST Communications Calling Card is accepted by many long distance companies for making calls outside your U S WEST Communications long distance calling area. Here's how to make a Calling Card call to a number within your long distance area:

- From a push-button phone with Touchtone service: Dial 0 + area code + the telephone number, wait for the tone, then dial your Calling Card number.
- From a rotary dial phone: Dial 0 + area code + the telephone number, wait for the operator to answer, say you're placing a Calling Card call, and give your card number.
- To the same telephone number that's on your Calling Card: Dial 0 + area code + the telephone number, wait for the tone, then dial your four-digit personal identification number (the last four numbers on your card). For calls made from another calling area, dial your area code before you dial your phone number.

Rate: Direct dial rate + 60¢ service charge.

If Your Calling Card Is Lost Or Stolen:

Call 1 800 422-LOST (5678) as soon as possible.

Protect Your Card Against Fraud:

1. Use a card reader phone whenever available.
2. Position yourself so that people standing near you can not watch you dial or hear you speak your security code.
3. Never give your security code to anyone calling you, even if they identify themselves as phone company employees, law enforcement agency representatives, or long distance security personnel.
4. Examine your monthly bill.
5. Call the appropriate number on the back of your Security Card immediately if you suspect fraud on your card.

USING THE OPERATOR TO MAKE CALLS

Within Your Calling Area

There is an additional charge for calls requiring operator assistance. They are more expensive than Calling Card calls or calls dialed directly from your home or office.

- **Collect Calls**

  Dial 0 + area code + the number. Tell the operator you're making a collect call. The operator will hang up when someone at the number you've called accepts the charges. Rate: Direct dial rate + $1.10 station call or $2.60 person-to-person call service charge.

- **Calls Charged To A Third Number**

  Dial 0 + area code + the number. Tell the operator you want to charge your call to a third number. If you're calling from a public (pay) phone, the operator will call the third number to make sure the charges will be accepted. The call won't go through if the operator can't get approval. Rate: Direct dial rate + $1.10 station call or $2.60 person-to-person call service charge.

- **Person-To-Person Calls**

  Dial 0 + area code + the number. Tell the operator you're making a person-to-person call to a specific person. The operator will hang up and charge you for the call only when that specific person answers. You can place a person-to-person call when you call collect, use your U S WEST Communications Calling Card, or charge your call to a third number. Rate: Direct dial rate + $2.60 service charge.

- **If You Want To Know How Much Your Call Will Cost:**

  Dial 0 + the long distance number. Tell the operator you want "time and charges." When you finish the call, a computer voice will return to the line to tell you what you'll be charged.

- **Operators Can Check A Busy Line:**

  In most areas to determine if someone is actually speaking on the line. Rate: Busy verification $1.10. Busy verification and interrupt $1.50.

Outside Of Your Calling Area

Contact your long distance company to find out how to use an operator to place calls to other area codes.

Many Companies Have Operators

When away from home, you can choose the long distance company you want to handle your operator-assisted calls. Many companies provide collect, person-to-person, third-number billed and credit card services. Their rates may vary. You may ask any operator for company identification and rate information before beginning your call. If the operator does not represent the company you want, or if you are not satisfied with the rates, you may choose another way to place your call.

COUNTRY & CITY CODES International Calls

You will need to contact your long distance company for instructions on how to place an international call. Here is a list of the country and city (routing) codes that you may be asked for. Your long distance company can also provide you with information on calls to countries not listed here.The bold number following the country name is the "Country Code." Numbers beside cities are "City codes." The number to the right of the country name is the time difference.
TD = Time Difference from Central standard time.

Crisis Numbers

This list of numbers is to help you find crisis numbers and other information more quickly and easily. It is not an all-inclusive list of non-profit and governmental agencies. Well known and easily found agencies and associations have been omitted. A complete list of governmental offices is in the White Pages listings. If the number you are calling is outside your local calling area, a long distance charge will apply.

FOR ASSISTANCE WITH TELEPHONE SERVICE:

For your home **1 800 244-1111**
For your business **1 800 603-6000**

As a U S WEST Communications customer, you are protected by our company's policies and by the state and federal regulations that guide the way we do business. There are also things you can do to help protect your privacy and safety. Some consumer guidelines are listed here:

IF YOU ARE DISSATISFIED WITH YOUR SERVICE

A U S WEST Communications representative will be happy to work with you on any problems you have with our company. Call the number at the top of this page for assistance.

If U S WEST Communications does not resolve your complaint, you may request assistance from the Utilities Division, Lucas State Office Building, Des Moines, Iowa 50319, (515) 281-5979.

PAY PER CALL SERVICE INFORMATION/"976" AND "900" NUMBERS

Private companies offer a variety of informational programs using phone numbers that begin with "976" or "900." There is usually a charge for calls to these numbers. Charges for "976" calls appear on your monthly U S WEST Charges for Communications telephone bill. Charges for "900" calls appear on the Interexchange Carrier page of your bill. These calls may also include a long distance charge. Calls for which the charge is one dollar or more must contain an introductory disclosure message specifying types of charges, time necessary to complete the call, and an option to disconnect without charge at end of introductory message.

The price and content of "976" and "900" services are the responsibility of the companies that provide the information. Call 1 800 879-2455 for more information.

Pay Per Call Services that contain illegal or sexually explicit material are not allowed. Nor do we disconnect your telephone service for disputes about payment of "976" or "900" charges.

How To Block Calls To "976" And "900" Numbers

U S WEST Communications will assist you in blocking calls from your line to "976" and "900" numbers. There is no charge for the first time a block is placed on your telephone line. For more information or requesting a block call: 1 800 879-2455

YOUR PRIVACY IS IMPORTANT

We make every effort to protect your telecommunication services from unlawful wiretapping or other illegal interceptions. Customer service records, credit information and related confidential personal account information are fully protected.

Illegal Wiretapping

It is a crime under federal and state laws for any person to wiretap or otherwise intercept a telephone call unless that person has first obtained a court order or the consent of ***all parties*** participating in the call. The penalty for illegal wiretapping can be imprisonment and/or a fine.

We May Listen To Calls Between You And Our Employees

It's one way our managers can make sure you're receiving prompt and courteous service and accurate information. These calls are randomly selected and are not recorded. They include calls to our repair bureaus, customer service numbers, directory assistance and "0" operators.

IF YOU RECEIVE OBSCENE OR HARASSING PHONE CALLS:

Stay calm, and hang up the phone. Call your U S WEST Communications representative at 1 800 541-3386 for a free brochure on how to handle these types of calls. You may be in an area where automatic Call Trace is available. Our service representative can advise you where Call Trace is available. After hanging up from the call, pick up the phone and then dial *57 (1157 from a rotary phone). The telephone number of the line used by that caller will be forwarded to a U S WEST Security Center.

It's against the law to make obscene, threatening or anonymous phone calls. Telephone harassment is a crime. Penalties include imprisonment and/or a fine.

EMERGENCY CALLS HAVE PRIORITY ON PARTY LINES

State law says you MUST immediately yield the use of a party line to anyone saying the line is needed for an emergency call. An emergency is any situation in which property or human safety is in jeopardy and emergency service personnel must be summoned.

It's against the law to gain control of a party line by falsely stating that an emergency call needs to be made. Penalties for violating party line laws include fines and/or imprisonment.

YOU CAN'T USE AN ANSWERING MACHINE ON A PARTY LINE

That's because answering devices cannot give up a line in an emergency. They also disrupt service for everyone on the party line.

KNOW YOUR RIGHTS Consumer Tips

Continued from previous page

IF YOU RECEIVE UNWANTED SALES AND SURVEY CALLS:

- Hang up, if you aren't interested in talking with the caller.
- Be skeptical of offers that sound too good to be true; they usually are.
- Resist high pressure sales tactics.
- Companies should be willing to provide their name, address, phone number and references. If not, be skeptical. Verify this information before making a purchase.
- Report companies using questionable sales practices to the Better Business Bureau or your state attorney general's office.
- Contact the Direct Marketing Association to have your name removed from telephone solicitation lists. Write to Telephone Preference Service, C/O, Direct Marketing Association, P.O. Box 9014, Farmingdale, NY 11735-9014.
- Call the number at the top of B1 to have your name removed – at no charge – from lists that our company leases to other firms. Customers with unlisted or unpublished numbers are never included on the lists we lease.
- Do not give your telephone credit card number to anyone who calls and asks for the number.

TELEPHONE SAFETY TIPS

Your telephone is one of the safest appliances in your home or office. But there are times when you should be careful using it:

- Don't use the telephone in the bathtub, shower or swimming pool. Dropping the phone into water could cause a shock.
- Avoid using the telephone during electrical storms. U S WEST Communications uses protective measures to limit electrical surges from entering your home or office, but absolute protection from lightning is impossible.
- If you suspect a gas leak, use a telephone away from the suspected area to report it. The telephone's electrical components could create a tiny spark when you dial. Although unlikely, that spark could ignite heavy concentrations of gas.

DIRECTORY ERRORS AND OMISSIONS:

U S WEST Communications' liability due to errors in or omissions of directory listings shall be limited to and satisfied by an amount not exceeding one-half of the local exchange service charges (lines or trunks if PBX-CENTREX) for the service affected for the period from the date of issuance of the directory in which the mistake occurred to the date of issuance of a new directory containing the proper listings.

This tariff is on file with the Iowa Utilities Board and is also available for review at your telephone company.
U S WEST Communications has attempted to publish information that is current and accurate. However, the company cannot guarantee errors will not occur. The company is not responsible for the accuracy of material supplied by its subscribers. In no event does U S WEST Communications assume any responsibility to notify directory users of any error or omission.

BILLING NAME AND ADDRESS DISCLOSURE

When you place a calling card call, or accept a collect or third-number billed call, U S WEST is required to provide your billing name and address to the telecommunications service provider that handled the call, if that provider requests.
U S WEST will continue to provide billing name and address information to telecommunications service providers for other account matters, such as customer service, servicing your account, to prevent fraud or when you move from one location to another.

The one that gets used.®

U S WEST Communications

Zip codes have been added as a community service. Every attempt has been made to insure their accuracy and inclusion.
U S WEST Direct does not accept responsibility or liability for any omissions or errors in zip codes.
For additional information on zip code codes, please consult your local post office.

TO CALL A PARTY ON YOUR LINE

Two-Party customers dial the listed number, hang up. Your bell and the bell of the called telephone will ring until the called telephone answers. When your telephone stops ringing, lift your receiver and begin your conversation.
If no answer, lift your receiver for a moment and then replace it.
This will stop the ringing and will clear the line for other calls.

The One That Gets Used®*...*gets reused.

Thank You Ames!

We at U S WEST Direct would like to thank all of you in Ames for your participation in the recycling of outdated phone books. Your involvement over the last year has resulted in the collection of more than 9 tons of outdated directories, the equivelant of 154 saved trees. If these 14,499 books were laid end to end, they would stretch more than 2.5 miles!

U S WEST Direct collects the outdated phone books for recycling and then prints all of its new directories on recycled paper which contains recycled phone books.

"It's What To Do When You Finish a Good Book..."® *Recycle!*

AREA HISTORY AND ATTRACTIONS

IOWA 150 Celebrate Our State 1846 • 1996
© 1993, Iowa Sesquicentennial Commission, Inc.

In 1996 Iowa will celebrate its sesquicentennial — 150 years of statehood. The yearlong celebration begins December 28, 1995, and continues through 1996. For information contact the Iowa Sesquicentennial Commission at (800) IOWA150 (469-2150).

History

Ames lies near the geographical center of Iowa, about 35 miles north of the state capital at Des Moines. Its location in the heart of rich agricultural land led to its selection as the site for the Iowa Agricultural College and Model Farm, created through a bill passed by the Iowa General Assembly in 1858.

Farm House, built in 1860, was the first building for the college. The school became a land-grant college under the 1863 federal Morrill Act, was renamed the Iowa State College of Agriculture and Mechanic Arts in 1898, and became Iowa State University (ISU) of Science and Technology in 1959.

Ames was founded in 1864 in anticipation of the arrival of the Cedar Rapids and Missouri Railroad. The president of the railroad, John Blair, named the settlement after Massachusetts Congressman Oakes Ames, a promoter of the railroad system.

Ames was incorporated in 1870 with a population of slightly more than 800. The original town consisted of a 12-block area extending from the railroad north to 9th Street. The eastern and western borders were Duff and Burnett avenues. With increasing rail shipments of farm products and the growth of the college, Ames prospered.

Research activities on the ISU campus during World War II led to the establishment of the Ames Laboratory. ISU's resources have been instrumental in attracting other government agencies and national industries. Ames is the largest city in Story County and has a population of more than 46,000, including student enrollment at ISU.

U S WEST Direct, publisher of this directory, is proud to be part of this central Iowa community.

Industry and Services

Manufacturing, education, and the professions have surpassed farming as the dominant industries in the city's economic base. Many national and international corporations have plants located here. A research park in Ames gives businesses access to expertise available at ISU.

The university is the city's largest employer. McFarland Clinic and Mary Greeley Medical Center are the second-largest employers. They function as a regional referral center for central Iowa, providing a variety of special-care services.

Branches of state and federal government agencies also are located here. Ames is home to the Iowa Department of Transportation, the United States Department of Energy's Ames Laboratory, and the United States Department of Agriculture's National Animal Disease Center and National Veterinary Services Laboratories.

The Ames city government joined with the university administration and the student body government to form a system of public transportation called Cy-Ride. For more information about this transportation program, see page EZ 17 of this *Easy Reference Guide*.

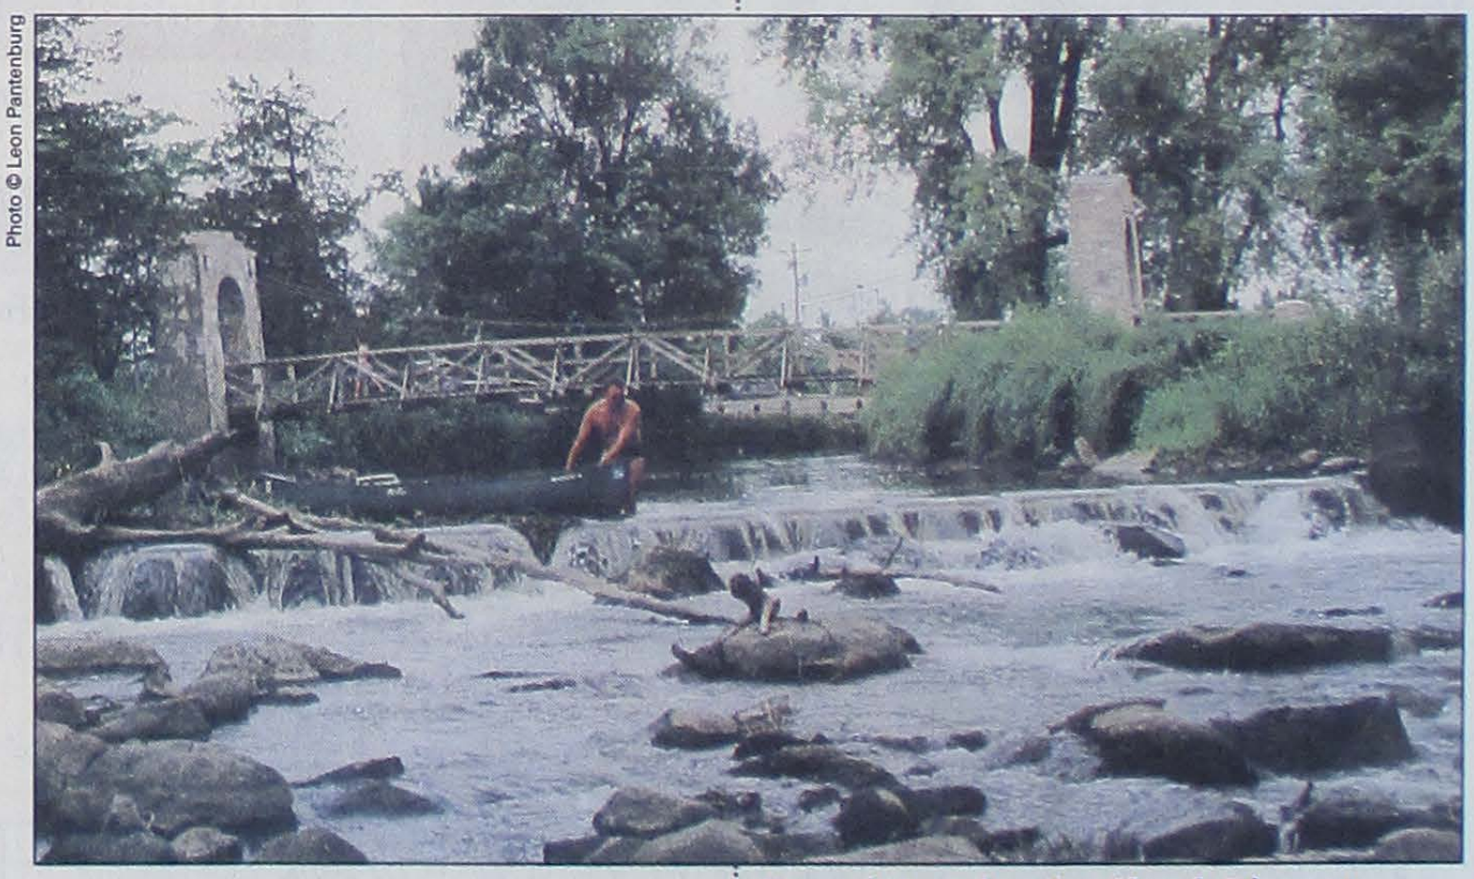

Parks and Recreation

Ames recreation facilities include ballfields, an ice-skating center, tennis courts, bicycle paths, golf courses, swimming pools, and nature trails. Summer concerts are held in Municipal Band Shell Park on 5th and Duff. The Ames Parks and Recreation Department offers a year-round schedule of activities ranging from instructional classes to organized sports.

County parks and conservation units, Iowa State University's horticulture gardens and arboretum, and a preserved natural prairie within the city limits are additional recreation sites.

The Ames and ISU communities sponsor several annual events. The Midnight Madness Road Races are held in July. A bicycle ride precedes 5K and 10K runs. The Iowa Games are held in August. The Iowa Masters Tournament is held annually in July at ISU's Veenker Memorial Golf Course.

Iowa State University

The university occupies a central position in the Ames community. It is the birthplace of the electronic digital computer — the Atanasoff-Berry Computer — which was designed and built in the late 1930s by mathematics and physics professor John Vincent Atanasoff and graduate student Clifford E. Berry.

ISU founded the nation's first state veterinary medicine school in 1879, established the nation's first statistics laboratory in 1933, and owned the nation's first educational television station.

ISU was the first college in the country to offer college-credit courses in teacher education and home economics and was the first land-grant college that was coeducational from its beginning. ISU provides a variety of courses that may be audited or taken for credit, including evening and weekend classes.

The campus itself has many attractions in addition to its educational facilities. Historical markers are located throughout the main campus, which also serves as an arboretum. When classes are in session, the 50 bells of the Campanile provide daily midday concerts. Campus maps are available from the Campus Information Center in the student union.

ISU provides numerous cultural and athletic activities. Its Iowa State Center (294-3347) hosts concerts, ballet troupes, theatre productions, orchestras, and exhibitions. The versatile four-building complex includes the the 2,700-seat Stephens Auditorium, the 14,000-seat Hilton Coliseum, the 450-seat Fisher Theater, and the Scheman Conference Center, with more than 20 flexible meeting rooms.

ISU Campus Attractions

Art on Campus is a program administered by the University Museums. There are more than 200 works of art available for viewing, including sculptures by Christian Peterson. Peterson was an artist-in-residence at ISU, and his works may be found in MacKay Hall, Lagomarcino Hall Courtyard, Parks Library, the Dairy Industry Building, and in front of the Memorial Union.

His famous sculpture, "The Gentle Doctor," is on display on the first floor of the Scheman Building. All works of art may be viewed 24 hours a day when the university is open.

Friley Hall houses ISU students

Iowa State University

Iowa State University (ISU), with an enrollment of more than 25,000, is a broad-based university of international stature. Created as the Iowa Agricultural College and Model Farm by the Iowa General Assembly in 1858, the school became a land-grant college under the terms of the federal Morrill Act in 1863 and held its first classes in 1869.

The university was a pioneer in the establishment of agricultural studies on the college level and is the home of the nation's oldest veterinary school. ISU has contributed to progress in the engineering profession, continually has emphasized basic sciences, and has been a leader in establishing the profession of home economics. Renamed the Iowa State College of Agriculture and Mechanic Arts in 1898, it became Iowa State University of Science and Technology in 1959.

ISU's colleges of Agriculture, Business Administration, Design, Education, Engineering, Family and Consumer Sciences, and Liberal Arts and Sciences have developed more than 100 programs of study. The College of Agriculture also offers a two-year program leading to a certificate in agriculture.

The doctor of veterinary medicine degree is awarded by the College of Veterinary Medicine.

The Graduate College offers approximately 200 major fields of study leading to master's, specialist, and doctor of philosophy degrees.

HIGHER EDUCATION

ISU is a member of the prestigious Association of American Universities. It is accredited by the North Central Association of Colleges and Secondary Schools as well as by appropriate professional organizations.

Instruction is offered throughout the year. The academic year is divided into three periods:

- fall semester — late August through December
- spring semester — mid-January to mid-May
- summer sessions — June to early August.

For more information contact the Office of University Relations at 294-7958. For admissions information call 294-5836.

HIGHER EDUCATION

Iowa State Center

The Iowa State Center is a versatile four-building complex serving the cultural, entertainment, athletic, and conference needs of ISU and the state of Iowa. Its long-standing tradition of presenting the world to central Iowa continues in newly refurbished buildings.

Stephens Auditorium

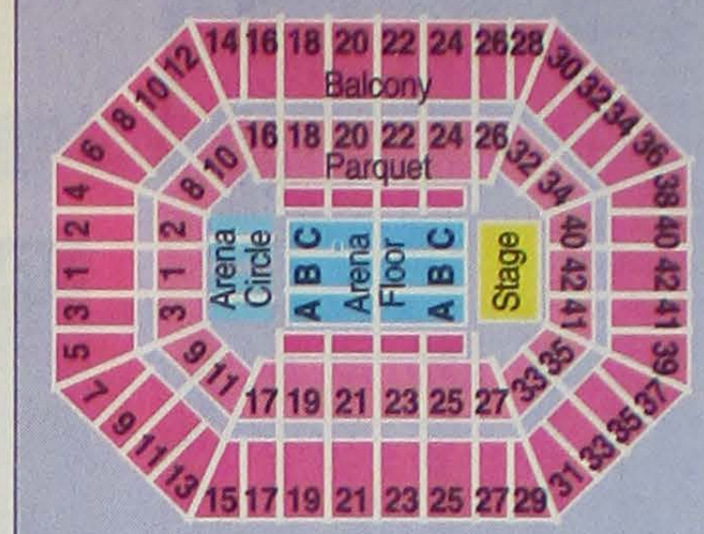

Theatrical performances are presented in this refurbished facility, with a repainted soffit and updated seats, carpeting, and furnishings. Along with the auditorium's new look comes an illuminating season of jazz, opera, and musicals. The box office is located in the north ground-floor lobby.

Hilton Coliseum

Hilton Coliseum will celebrate its silver anniversary in 1996. Events held here range from rock concerts to basketball games.

Stephens Auditorium

Hilton Coliseum

Scheman Conference Center

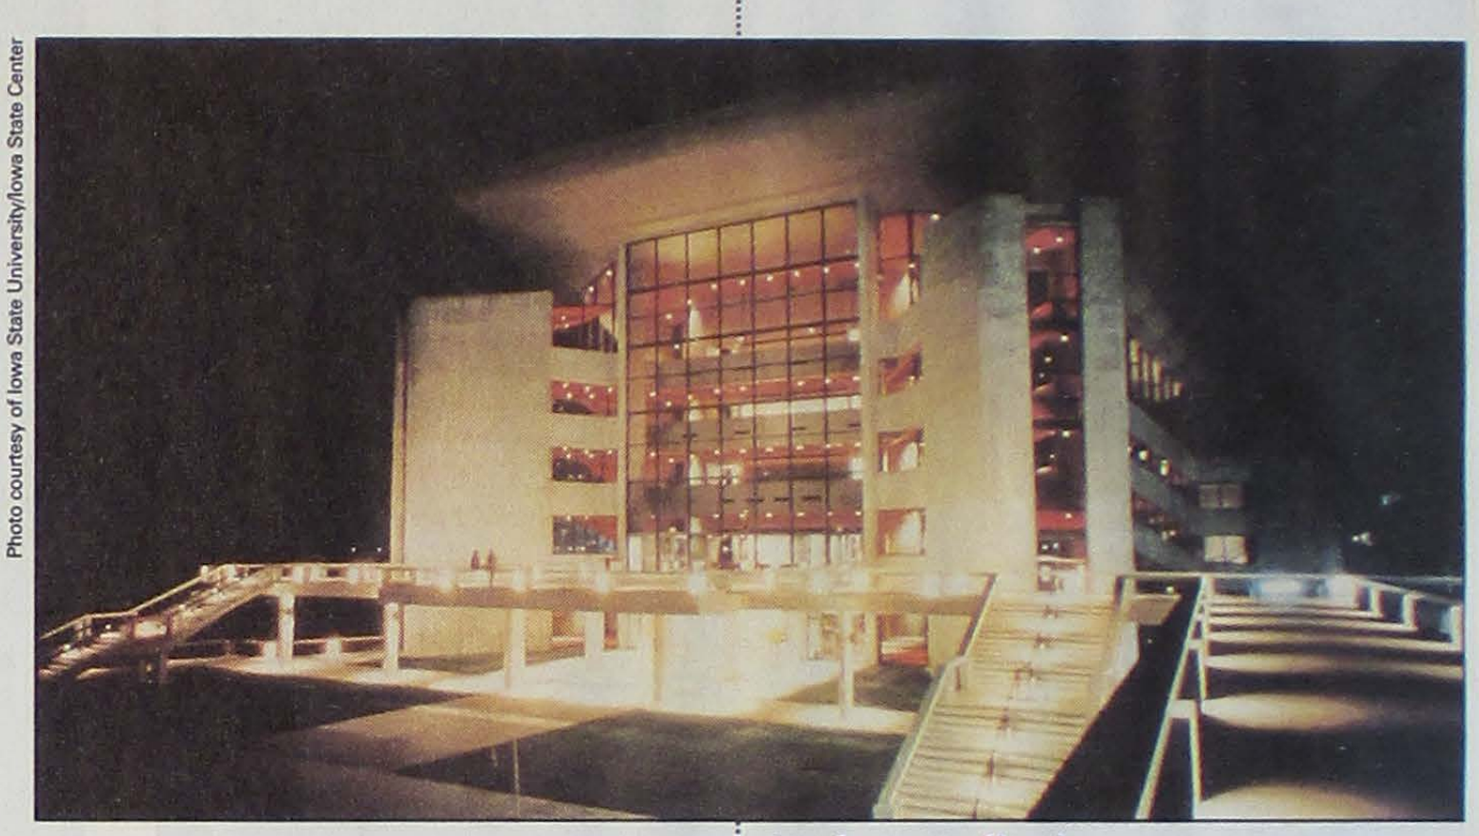

The center offers a modern atmosphere for conferences, receptions, meetings, and trade shows. The nearby Brunnier Art Museum offers fine visual-arts displays.

Fisher Theater

Fisher Theater serves as an educational link with the university through the ISU Theatre Department's productions and ISU dance events.

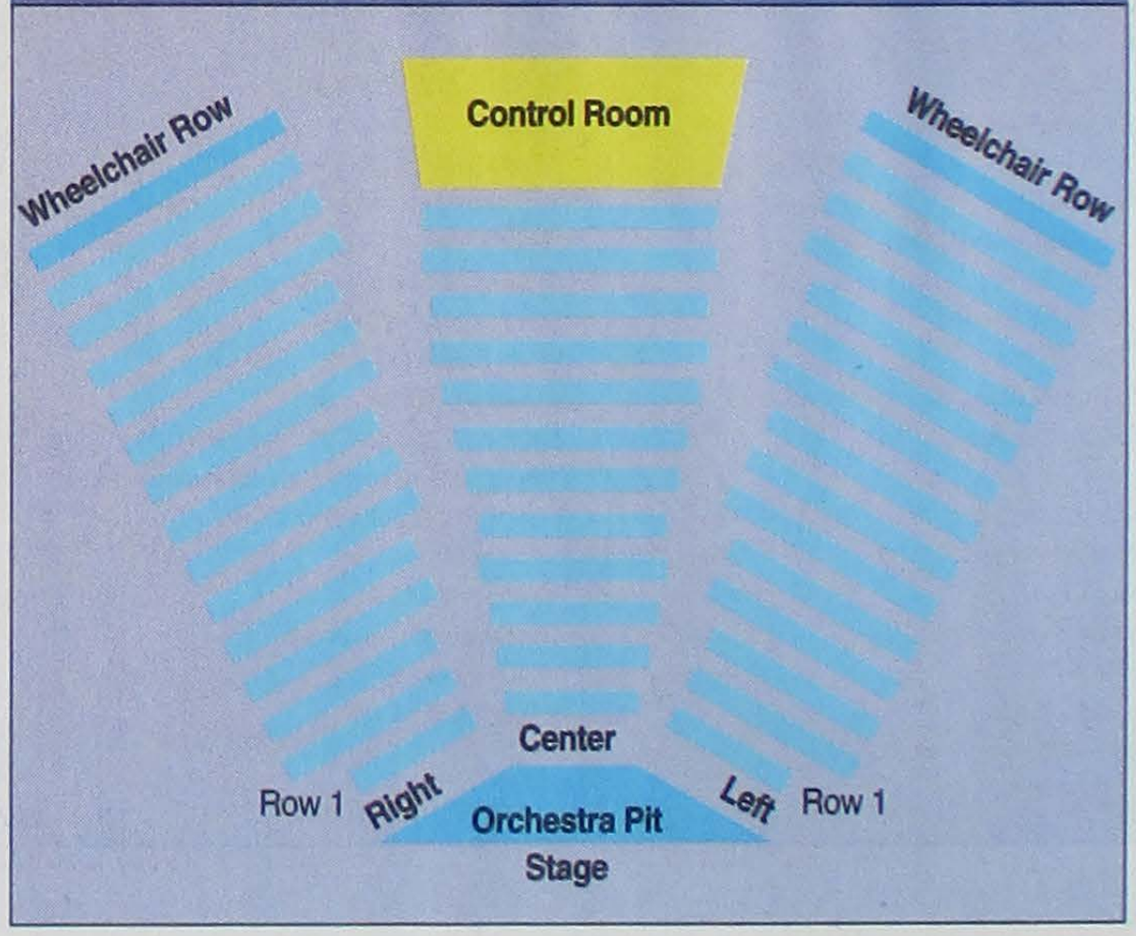

For more information about events at the Iowa State Center as well as Cyclone Stadium, call 294-3347.

Iowa Games

The Iowa Games will celebrate its tenth anniversary in 1996. The multisport, Olympic-style competition has grown to become the state's largest individual sporting event. Amateur athletes of all ages and abilities will renew a tradition as they come together to experience the thrill of the Olympics at the grassroots level.

Including the participants in the regional qualifying festivals in Cedar Falls/Waterloo, Greater Des Moines, Muscatine, and Storm Lake, more than 15,500 individuals participated in some level of 1995 Iowa Games competition. Of that number, more than 13,500 individuals participated in the finals event in Ames.

In February, the fourth Iowa Games Winter Sports Festival will be held in Dubuque. More than 2,300 athletes will participate in the weekend event. The Fourth Annual Winter Games Sports Festival will take place February 2-4, 1996, in Dubuque. ISU and the City of Ames will host the 1996 Iowa Summer Games. The summer games are held annually on the first weekend in August. Qualifying festivals will provide preliminary rounds in some sports.

Competition

An open invitation to compete in the Iowa Games is extended to all Iowa amateur and recreational athletes who have resided in the state for 30 days or more immediately prior to the Iowa Games weekend. Competitions will be divided by age group for men and women and will be conducted for youth, scholastic, open, and masters divisions. Exhibition, disabled, and demonstration sports events are included.

Roller Hockey is a new addition to the Summer Games

IOWA GAMES

Special Events

Olympic-style events bring participants together and make the Iowa Games unique. Scheduled events include opening ceremonies, a torch run, an outdoor dance, Finals Fest, and the three-on-three Hoopin' Downtown basketball tournament.

Cy-Ride provides multiple transportation services to the public, including a fixed-route service, an ISU parking shuttle, and a Friday and Saturday late-night service.

The Fixed Route

Seven-Days-a-Week Service

The fixed-route bus service operates weekdays 6:30 a.m. to 12:30 a.m., Saturdays 7:30 a.m. to 10:30 p.m., and Sundays 9 a.m. to 10:30 p.m. There is no service on Thanksgiving Day, Christmas Day, or New Year's Day.

Children younger than 5 accompanied by an adult ride free. ISU students must present a registration receipt or pay the adult fare. Ticket books, monthly passes, and student semester passes are available.

Dial-a-Ride

Door-to-Door Service Weekdays and Saturdays

Dial-A-Ride is available to all residents of Ames. The buses are equipped with wheelchair lifts, and attendants ride free when accompanying a disabled person.

Dial-A-Ride service is available weekdays from 7 a.m. to 10:30 p.m. and on Saturdays from 8:30 a.m to 3 p.m. It operates only within Ames city limits. More detailed information is available in a Cy-Ride route map and information folder, available by calling the Cy-Ride offices.

Call 292-1100 up to 14 days in advance to arrange for a ride and allow at least 45 minutes riding time to complete the trip. Additional time will be required during winter months. Calls are booked on a first-come, first-served basis.

Moonlight Express

Moonlight Express offers a safe ride on Friday and Saturday nights from 10:30 p.m. to 2 a.m. when ISU is in session. Moonlight Express operates within the Ames city limits. To arrange a ride, or for additional information, call 292-1100.

Orange Route

The Orange Route provides service connecting the Iowa State Center parking lot with central campus. Passengers may park in lots A4 and B6 and ride free to and from campus.

Passes

Fixed Route Monthly Pass

The Cy-Ride Monthly Pass is good for any Cy-Ride fixed route as many times as needed. Call for monthly pass rates.

Semester Pass

Semester Passes are available for both students and full-fare passengers for the fall and spring semesters. Passes may be used as often as needed until their expiration date.

ISU students must show a current registration receipt each time they use a Student Semester Pass. Call for prices.

Winter Pass

Winter Passes are available for both students and full-fare passengers. Passes may be used as often as needed and are valid only from December 14 to March 9.

ISU students must show a current registration receipt each time they use a Student Winter Pass. Call for prices.

Wheelchair Accessible Buses

Cy-Ride operates buses equipped with wheelchair lifts on selected trips on weekday routes. All buses on Saturdays and Sundays are wheelchair accessible.

Persons in wheelchairs desiring to board a Cy-Ride bus should be at the bus stop at the designated time. The wheelchair should be positioned so that it will be clear of the lift when extended. The driver will give specific instructions on boarding the lift, and will assist with wheelchair tie-downs and safety belts.

Passengers in wheelchairs should inform the driver of their destination, since some bus-stop locations are not wheelchair accessible. The driver will determine the closest safe location for departure, and will assist in deboarding.

Persons escorting wheelchair passengers ride for free. The wheelchair lift may also be used by any passenger who has difficulty walking up or down the steps.

General Information

- Wait by the bus-stop sign.
- Have correct fare, ticket, or pass ready.
- ISU students must show the driver a current registration receipt to ride for the reduced fare.
- If a transfer is needed to another route, ask the driver for a transfer ticket when boarding the bus.
- Passengers should pull the bell cord about three-quarters of a block before their desired stop.

For a copy of the Cy-Ride folder with route maps, timetables, fares, and riding information, call 292-1100.

EMERGENCY PREPAREDNESS INFORMATION

The keys to coping with an emergency are awareness and planning. The guidelines on these pages are designed to help residents prepare for — and get through — emergencies that may occur in this area. For more information contact the local city or county emergency manager, civil defense director, or the local chapter of the American Red Cross.

Be Prepared

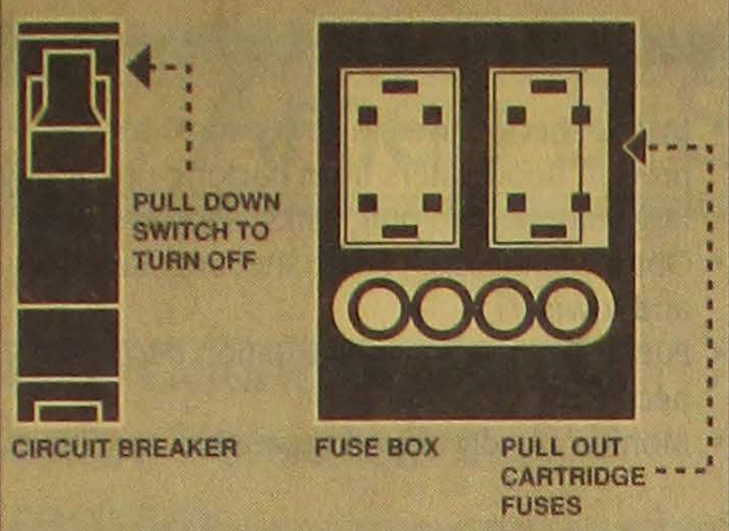

- Schedule occasional family conferences to discuss procedures to follow in different kinds of emergencies.
- Hold practice drills.
- Post and memorize emergency telephone numbers (including poison control).
- Assemble and store a survival kit (see sidebar).
- Learn first aid.
- Establish a location for the family to reunite if members become separated.
- Arrange for a friend or relative in another town to be a communication contact for the extended family.
- Learn the emergency plans of the family's schools, day-care centers, workplaces, and clubs.
- Make a habit of tuning in to daily weather forecasts and be aware of changing conditions. The Emergency Broadcast System on commercial radio and TV stations will announce a WATCH if an emergency situation is expected and a WARNING if it is imminent or in progress.
- Learn emergency food and water procedures (see sidebar).
- Determine an evacuation route and alternates.
- Find out where main utility switches are and learn how to turn them off if they rupture and trained technicians are not available.

Utilities

Electricity

- Turn off electricity ONLY if you see sparks or a fallen wire.
- Find the main circuit box, usually on the outside of the house. (See diagram).
- Locate the main circuit breaker or fuse (it will be labeled). Switch the circuit breaker to the off position, or pull out the fuse.
- Have electrical service restored by a supplier listed in *The U S WEST Direct Yellow Pages.*

Main Circuit/Fuse Box

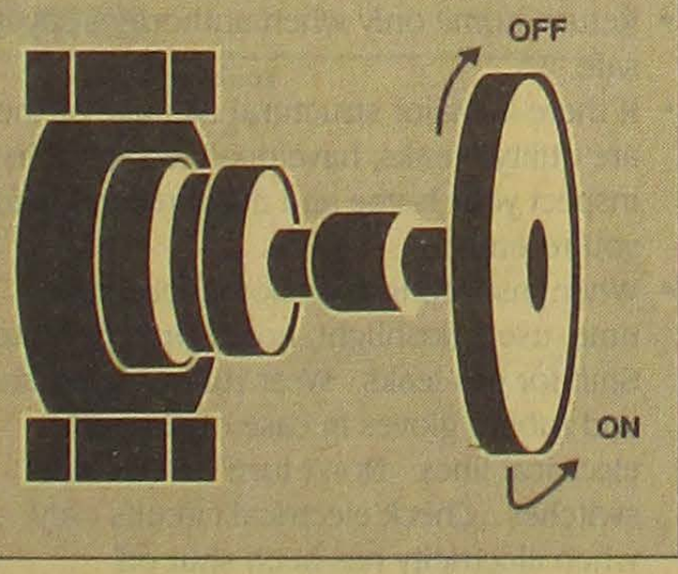

Gas

- If you smell gas, open windows and evacuate the house. Don't use the phone, light switches, or electrical appliances, or do anything that will cause sparks.
- Go to a phone booth or neighbor's house and report the leak to the gas company.
- Let the gas company repair the leak and turn the gas back on. Consult *The U S WEST Direct Yellow Pages* for a natural gas or propane supplier in your community.

Water

- Find the main water shut-off valve inside the house (located where the water line enters the building). Turn the valve in the direction of the arrow, usually clockwise. (See diagram).
- If necessary (and possible), shut off the main water valve outside your home. It may be next to a meter in a concrete box in the sidewalk.
- Have water service restored by a supplier listed in *The U S WEST Direct Yellow Pages.*

Water Main Valve

Emergency Food and Water Procedures

- Be prepared to take care of yourself and your family for up to five days.
- Take emergency drinking water from melting ice cubes, water heater, and canned fruits and vegetables.
- Don't drink municipal tap water, or water from any questionable sources, until it has been strained with a clean cloth and treated. To treat water add ten drops of chlorine bleach to each gallon of water, mix well, and let stand for about 30 minutes.
- Freezer foods will last from 48 to 72 hours if the freezer is full and the door stays closed.
- Discard all open food and beverages that may have been contaminated.
- Eat perishable foods first.
- Cook on portable grills, but only outdoors.

Survival Kit Contents

- flashlights and portable radio with extra batteries
- first aid kit with manual
- crescent and pipe wrenches for turning off utilities
- chlorine bleach for water purification
- fire extinguisher
- emergency food and beverage supply (nonperishable food, juices, and one gallon of water per person per day)
- spare eyeglasses, prescribed medications, baby food, pet food, and special dietary foods
- manual can opener
- sanitation supplies — large plastic trash bags, soap (hand, dish, and shampoo), toothbrush and paste, feminine supplies, infant care items, toilet paper, newspaper, and a camp shovel
- blankets
- cooking equipment
- a complete change of clothes for each person in the family

On the next page are instructions to follow that may help save lives during specific emergencies.

Severe Thunderstorms

HAIL — Large hail can cause serious injury; avoid the outdoors while a storm is in progress.

LIGHTNING — Lightning kills more people in the United States than any other natural hazard. It may strike miles from the parent cloud.

- Avoid being the highest object in any area. Stay away from hilltops, lone trees, and telephone poles. In a forest, move under a growth of small trees.
- Don't enter a small structure in an open area.
- If suitable shelter isn't available, seek a ravine, and drop to the ground in a crouched position, hands on knees. Do not lie flat.
- Abandon metal equipment (tractors, golf carts, bicycles). Drop golf clubs and remove golf shoes. Keep your distance from other people.

FLASH FLOODS — Flash floods often occur without warning after heavy rainfall upstream. Drainage canals, streambeds, canyons, or areas downstream from a dam are potential flood areas, and roads and trails that parallel these drainage systems may be flooded. Monitor current weather conditions and make evacuation plans. When you realize a flash flood is coming, act quickly to save lives.

- Go to high ground immediately.
- Do not drive through already flooded areas. Shallow, swiftly flowing water can sweep a car from the road and disguise a washed-out roadbed.
- Do not attempt to cross a flowing stream on foot where the water is above your knees.

Winter Storms

- Keep posted on weather conditions.
- Prepare for isolation at home. (See survival kit on first emergency page.)
- Use lights for heat if the furnace goes out. Don't use gas stoves.
- Prevent wood- or oil-burning stoves, fireplaces, or electric heaters from overheating and becoming fire hazards. Fill liquid fuel heating devices outside buildings.
- Stay indoors. Overexertion from activities such as snow shoveling is a major cause of winter storm deaths.
- Dress in warm layers.
- Travel only if necessary, and then only in daylight on major roads.
- Do not travel alone. Let someone know your schedule and destination.

WHEN CAUGHT IN A VEHICLE

- Don't leave the vehicle unless help is in sight.
- Ensure ventilation while running the engine.
- Signal trouble by raising the hood, tying a cloth on the antenna, or turning on flashers.
- Don't burn anything in the vehicle.

Floods

Before a Flood

- Install check valves in sewer traps to prevent floodwaters from backing up, or buy large stoppers to plug sinks, showers, tubs.
- Obtain sandbags, plastic sheeting, lumber and towels.
- Fuel vehicles in case evacuation becomes necessary.
- Monitor rapidly changing weather conditions.

During a Flood

IF THERE IS TIME

- Disconnect electrical and gas appliances. Shut off the water main to keep contaminated water from the water heater.
- Bring outdoor possessions inside.
- Move valuables and essential items to upper floors.
- Stack sandbags away from the building
- Round up pets.

EVACUATION

- Use travel routes recommended by local authorities.
- Keep a radio on for news and updates.
- Watch for flooding at bridges, viaducts, and low areas.
- Be alert for thunder and lightning that may signify rain and more flooding ahead.
- Don't drive over flooded roads. It's impossible to tell how deep the water is, or if portions of the roadway have been washed out. Vehicles may be swept away.
- Never try to cross water flowing above your knees.
- All passengers should abandon a stalled vehicle immediately and move as a group to higher ground.

After a Flood

- Return home only when authorities say it is safe.
- If there is major structural damage or there are utility breaks, have qualified specialists inspect your home and make repairs before you re-enter.
- When inspecting your home for the first time, use a flashlight, not a torch or lantern. Sniff for gas leaks. Wear rubber-soled shoes and rubber gloves in case of severed electrical lines. Don't turn on electrical switches. Check electrical circuits only when electricity has been shut off.
- Don't use flooded electrical appliances until they have been repaired.
- Don't drink municipal water until the health department has declared it safe.

Tornadoes

Preparation

- Keep an emergency stock of tools in the safest place to wait out a tornado.
- Mobile home owners should have a licensed contractor tie down their units.
- Bring portable furniture, equipment, and pets inside if thunderstorms are expected.

If a Tornado Warning Is Issued

If a tornado warning is issued, or you hear the roar of a tornado, follow these guidelines.

IN A HOME

- Stay indoors.
- Immediately go to the lowest level in the building. Seek out an interior hallway or a small interior room without windows.
- Crouch under a heavy table, desk, or bench.
- If there is no protective furniture, crouch against an interior doorway or corner.

IN A MOBILE HOME

Do not remain in a mobile home. Go to a community shelter.

IN A STORE OR OFFICE BUILDING

- Don't run for the exit (in case of stampede). Stay on the same floor. Avoid windows.
- Crouch under a heavy desk, bench, or table.
- Do not use the elevator.

ON FOOT

- Go inside the nearest sturdy building. If there's no time to enter, crouch next to it.
- If there are no buildings nearby, lie flat in the closest ditch, ravine, or culvert. Cover your head with your hands and arms.

IN A VEHICLE

- Don't try to outrun a tornado. Leave the vehicle and enter the nearest building, or lie in a ditch, hands covering your head.

After a Tornado

- Treat the injured with first aid. Call for medical assistance if there is an emergency. Don't attempt to move injured persons unless they are in immediate danger
- Use phones only to report emergencies.
- Put out small fires. Don't use matches, candles, electrical switches, or appliances in case there is a gas leak. Rely on flashlights.
- Call trained technicians if utility lines are ruptured.
- Turn on a battery-powered radio or vehicle radio for information and instructions.
- Put on heavy shoes and gloves for cleaning.
- Mop up dangerous spills (bleach, lye, etc.).

Creative advertising such as that done in newspapers, television and radio makes people want to buy. Directional advertising in the U S WEST Direct Yellow Pages provides the who, where, and when to customers who are ready to buy. It's the final link between sellers and buyers.

It pays to advertise in more than one place in the U S WEST Direct Yellow Pages, because you never know where your new customers - may look for you. Be sure you're ready for them when they're ready to buy. Multiple headings are the way to go.

Your representation in the U S WEST Direct Yellow Pages enables buyers to find you in a hurry. That's where they look when they need repair work or merchandise. It pays to put your message in The Yellow Pages.

HOW TO KEEP YOUR KIDS FREE OF DRUGS.
Rule #1 – Understand Why.
Almost always it's rebellion, alienation, despair, peer pressure or some combination. As a parent you can have a powerful effect on how your kids deal with these things without drugs.
Talk with your kids about drugs.
To learn more, call for a free parent's handbook.

HOW TO KEEP YOUR KIDS FREE OF DRUGS.

Rule #1 – Understand Why.

Almost always it's rebellion, alienation, despair, peer pressure or some combination. As a parent you can have a powerful effect on how your kids deal with these things without drugs.
Talk with your kids about drugs.

Patent Attorneys

The determination of the need for legal services and the choice of a lawyer are extremely important decisions and should not be based solely upon advertisements or self-proclaimed expertise. This disclosure is required by rule of the Supreme Court of Iowa.

A description or indication of limitation of practice does not mean that any agency or board has certified such lawyer as a specialist or expert in an indicated field of law practice, nor does it mean that such lawyer is necessarily any more expert or competent than any other lawyer. All potential clients are urged to make their own independent investigation and evaluation of any lawyer being considered. This notice is required by rule of the Supreme Court of Iowa.

Warning! If You're Suffering From An Auto Accident Injury (whiplash), Don't Call Any Doctor Until You Read This.

Did you know there are doctors who specialize in treating people who suffer from auto accident injuries?

It's true. You see, working with motor vehicle accident victims requires a lot of special examination and treatment to help your problem. It also requires a lot of special documentation for insurance companies and attorneys.

It's important that your condition be very carefully and properly treated for maximum recovery. It also has to be thoroughly documented, because what is done and recorded can make the difference in the results of your case.

In addition, the doctor may have to make court appearances or depositions on your behalf. Many physicians aren't willing, or just are not an expert in this.

Fortunately, there is a clinic in Ames that specializes in motor vehicle accident injuries. In addition, they are experts in caring for nerve-muscle-joint problems, especially those of the neck, back, legs, and arms.

Dr. John R. Moore, D.C., C.C.S.P.

Yellow Pages readers have already made the decision to buy; they are comparison shopping. Your U S WEST Direct Yellow Pages advertisement can tell them who you are, where you are and exactly what you have to offer. Isn't it time you put The Yellow Pages to work for you?

"NOTES"

U S WEST DIRECT

Creative advertising such as that done in newspapers, television and radio makes people want to buy. Directional advertising in the U S WEST Direct Yellow Pages provides the who, where, and when to customers who are ready to buy. It's the final link between sellers and buyers.

Have you ever made a special shopping trip and then had trouble finding the store you want? Or find the store only to discover it's closed? Then you realize the importance of including a map of your location and your business hours in your U S WEST Direct Yellow Pages ad!

Make sure you get your share of business from customers in your neighborhood. Advertise in the U S WEST Direct Yellow Pages. Call 1-800-422-1234 to reach your U S WEST Direct Yellow Pages office. Our advertising experts are glad to help you with information and service.

If you'd like to know how well your advertising is working, all you have to do is ask. Contact your U S WEST Direct Yellow Pages advertising consultant for details, today!

U S WEST Direct Yellow Pages is a perfect companion to any other advertising you may do. When you advertise in other media, be sure and tell people about your ad in The Yellow Pages.

Does your business do business by giving estimates or bids? Your ad in the U S WEST Direct Yellow Pages tells people you're big enough and ready to do the job. Tell them you give free estimates — you can get more calls and that will mean more sales.

HOW TO KEEP YOUR KIDS FREE OF DRUGS.
Rule #1 – Understand Why.
Almost always it's rebellion, alienation, despair, peer pressure or some combination. As a parent you can have a powerful effect on how your kids deal with these things without drugs.
Talk with your kids about drugs.
To learn more, call for a free parent's handbook.

Return on Investment (ROI) Worksheet

Measure the results of your Yellow Pages advertising using the 7 steps on this worksheet.

1. Enter the number of calls to make one sale _____

On average, how many calls or visits from prospects does it take to make one sale?

2. Enter your average gross profit per sale $_____

(Average sale minus direct costs)
On average, how much profit do you make on any one sale?
Take the sales price minus the direct costs you pay for the product or service you provide. Do not include overhead costs; such as rent, office supplies, salaries, etc.

3. Yellow Pages investment per month $_____

How much do you estimate you will be investing in Yellow Pages advertising per month?

4. Enter your desired gross profit from this advertising, calculated as follows:

ROI expectation per month of_____% =
return of your $_____ initial investment (Line 3)
Plus $_____More (Line 3 x_____%) = $_____

In making any investment, you would expect to receive your original investment back plus a reasonable return. Advertising should be evaluated the same way. First, determine what rate of return will work for your business. Then calculate the total monthly gross profit needed to meet your investment goal.

For example, if the investment on line 3 is $100.
and you require a 200% return on that investment, you would fill in the blanks as follows:

ROI expectation per month of 200% = return of $100 investment plus $200 more = $300.
$300 would be the amount entered on line 4. Line 4 represents the total amount of gross profit you need to generate from your advertising to consider the program successful.

5. Enter the number of sales per month to meet ROI expectation (Line 4 ÷ Line 2) _____

This number tells you how many sales you need from your Yellow Pages advertising to meet your ROI expectation.

6. Enter the number of calls per month to meet ROI expectation (Line 5 x Line 1) _____

This number tells you how many calls need to be generated from your Yellow Pages advertising to meet your ROI expectation.

7. Using the tracking form (on the following page), track and enter the number of calls you receive per month from your advertising _____

When this number is greater than the number entered on line 6 above, your Yellow Pages advertising has exceeded your ROI expectations.

Track Your Advertising Results

1. **Using the tracking form below, identify:**
   The page number(s) of your existing U S WEST Direct Yellow Pages advertising as well as those of other Yellow Pages publishers.

2. **For an entire week, when you get a call:**
   Please respond by saying, **"We are testing the effectiveness of our advertising. Did you get our telephone number from The Yellow Pages?"**

   If yes, ask ... **"What page number did you find our ad on?"**
   Enter the response you receive on the form below.

   If no, ask ... **"Where did you hear of us?"**
   Note in the lower section, designated for other advertising media.

   At the end of the week, total your weekly counts and calculate your monthly call volume in the column provided. You may want to track your results several times during the course of the year to account for seasonal or other variations in sales that may affect your business over a longer period.

JEWELL (ZIP CODE 50130)

U S WEST Communications

Your complete telephone number is needed on long distance calls, both to and from Jewell, and whenever you give your number to others. However, on local calls to other Jewell telephones, the first two numbers, 82, may be omitted.

HOW TO CALL ANOTHER PARTY ON YOUR LINE

Two-party customers dial 421. After dialing the number hang up. Your telephone and the called telephone will ring until the call is answered. When the ringing stops, remove receiver and start your conversation. If no answer, remove receiver for a few seconds and then replace it to stop the ringing.

Your success story book.

All our favorite business success stories have one recurring theme. An ad in the U S WEST Direct Yellow Pages.

And we're proud of the people who helped make it happen.

Our Ad Consultants.

It's their job to see you get results. That's why they'll be happy to show you how to create a Yellow Pages ad that pulls. At no extra cost.

TO TALK TO AN AD CONSULTANT, CALL 1-800-422-1234.

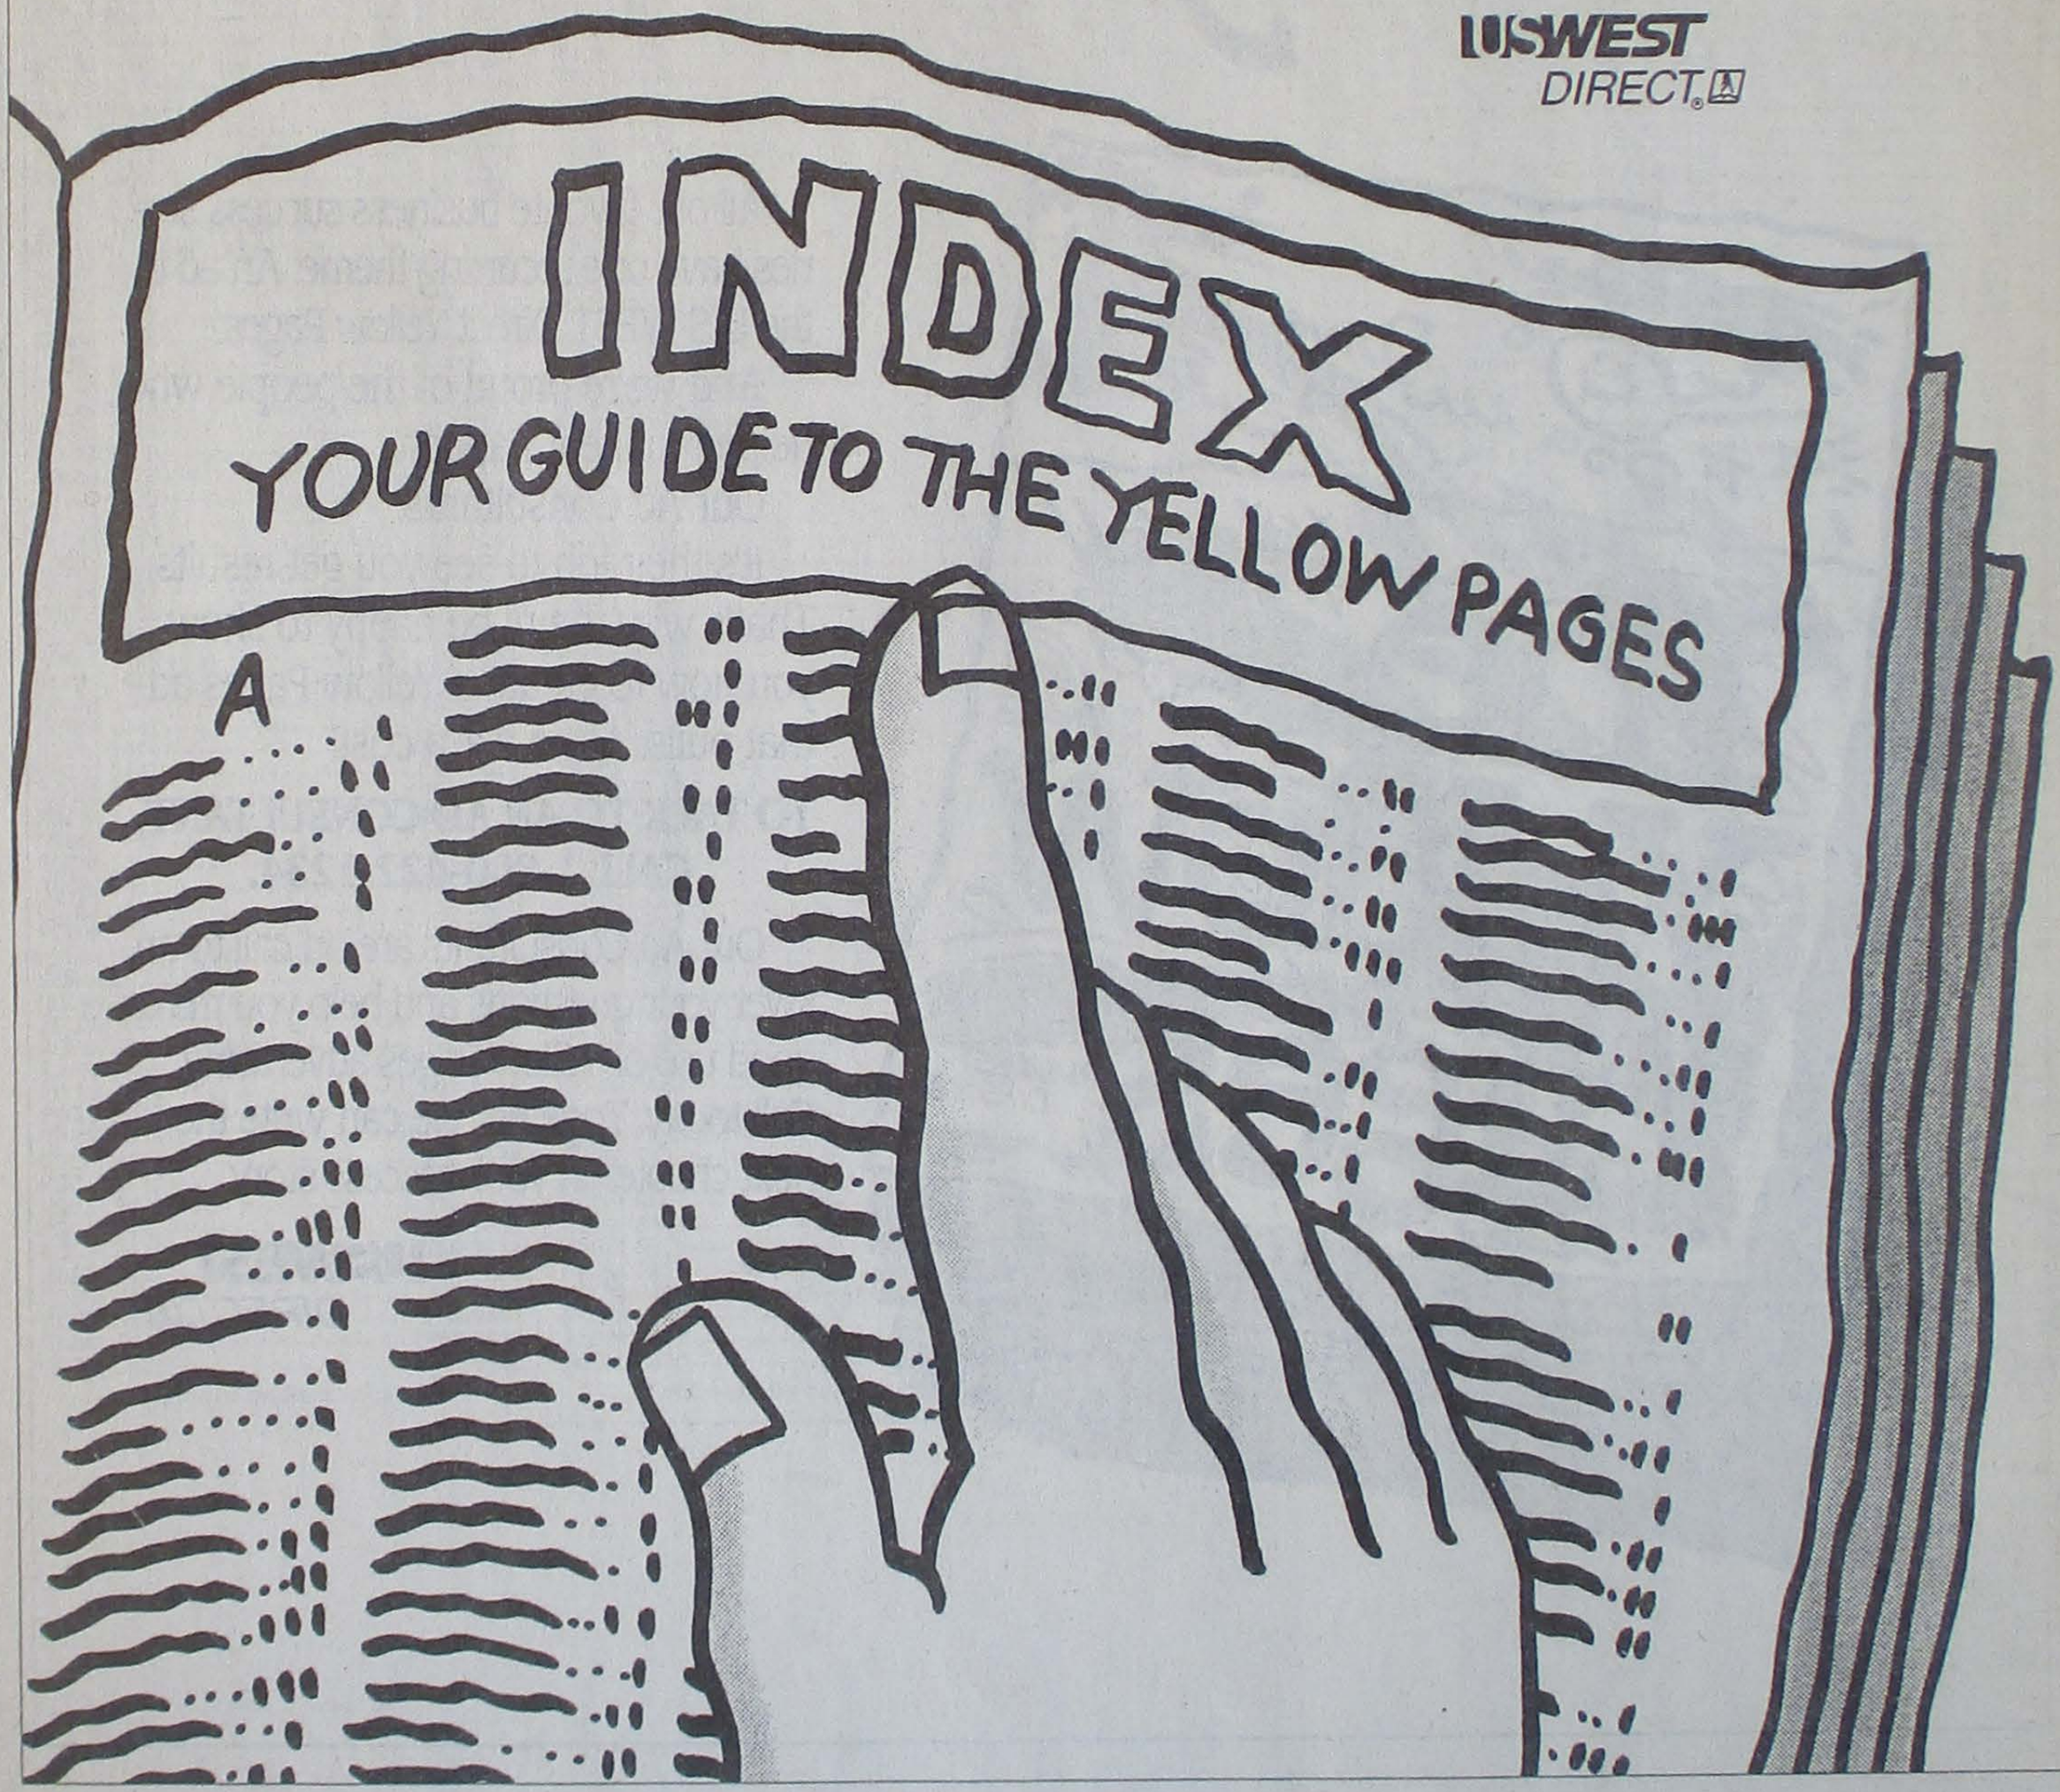

Our Ad Consultants are on call to answer your questions and help you make good use of Yellow Pages advertising. Call today. Together we can write the next chapter in your success story.

The determination of the need for legal services and the choice of a lawyer are extremely important decisions and should not be made solely upon advertisements or self proclaimed expertise. This disclosure is required by rule of the Supreme Court of Iowa. A description or indication of limitation of practice does not mean that any agency or board has certified such lawyer as a specialist or expert in an indicated field of law practice, nor does it mean that such lawyer is necessarily any more expert or competent than any other lawyer. All potential clients are urged to make their own independent investigation and evaluation of any lawyer being considered. This notice is required by rule of the Supreme Court of Iowa. Memberships and office in legal fraternities and legal societies, technical and professional licenses and memberships in scientific, technical and professional associations and societies of law or field of law practice does not mean that a lawyer is a specialist or expert in a field of law, nor does it mean that any such lawyer is necessarily any more expert or competent than any other lawyer. All potential clients are urged to make their own independent investigation and evaluation of any lawyer being considered. This notice is required by rule of the Supreme Court of Iowa.
